BOTM !

What's that you say? Could you speak UP?

The only thing higher than the opening to this eNewsletter message is the picnic area at the top of Mount Jefferson...and that's where we'll again gather for our **SECOND BREAKFAST ON THE MOUNTAIN on Thursday, September 15, 2022 @ 11:00.**

I contend that there is no better tasting breakfast than eggs, link sausage, blueberry pancakes and brewed coffee prepared outdoors on an open grill!

So, plan to join us...mark your calendar TODAY and set your sights on the first two grills at the entrance to [Mount Jefferson State Park](#) where we'll be holding another feast for all to enjoy...no really, it is shaping up to be a wonderful way to start your morning on a Thursday.

What if the weather proves to be inclement? No worry, we'll look to moving a few steps further up at the entrance to the park where there is a covered picnic pavilion where the grill may be affected by "**liquid sunshine**", but the tables will keep everyone's plate of "**breakfast sunshine**" dry. And don't worry, we'll put a cover over the grill to keep the food – and the cook! – dry.

Hope to see you on **Thursday, September 15, 2022 at 11:00 AM.**
